Comments:

When it comes to your smile, no compromise is acceptable!

Orthodontic treatment involves more than just straightening teeth. Decisions about jaw growth, tooth preservation and proper space maintenance requires a specialist with the knowledge and experience to make the right decisions. At Sakowitz Smiles, these are the standards of excellence we live by. Choosing the right orthodontist is as simple as **ABC**.

Able: State of the art technology and 7 years of combined dental and sub-specialty training enable Dr. Sakowitz to deliver the highest quality of care.

Board Certified: Dr. Sakowitz is the only Board Certified Orthodontist in Lake Nona and Horizon West with the training and testing to be awarded this elite status.

Caring: It starts with a smile from our team as you're first greeted, and ends with your smile of satisfaction when your treatment is finished. At Sakowitz Smiles, the comfort and happiness of our patients is our priority. Our team knows the importance of communication, efficiency, and quality, and we will settle for nothing less.

**Treatment evaluation will be sent as soon as possible after patient is seen.
Thank you for this referral!**

Embrace your best self!
